COVID-19 ASSESSMENT

We have adapted the way we work in response to COVID-19. We take our responsibilities to our staff and customers very seriously and recognise the rapidly evolving situation necessitates flexibility and adaptability. Therefore, we have put in place the below measures to ensure the health and safety of our staff and customers.

- Social distancing adhering to Government guidelines
- Safely distanced work stations for office-based staff
- Reduced office-based staff and staff to work from home where necessary
- Additional handwashing facilities and hand sanitising stations provided, situated around the office and warehouse
- Frequent cleaning and disinfection of objects and surfaces touched on regular basis
- Cleaning work areas and equipment between uses
- Business premises closed to the general public unless prior arrangement has been made
- All Service Technicians are required to wear PPE and face coverings when entering the business premises and onsite
- Any member of staff experiencing with any symptoms of Covid-19 must inform the Company Director and self-isolate at home for 14 days before returning to work
- Temperature checks on staff taken regularly
